

Address central warehouse AXRO GmbH:

Schnackenburgallee 183 - 201

22525 Hamburg

Germany

Warehouse opening times:

Mo. – Fr. 08:00 am to 02:00 pm

Advise a delivery:

delivery@axro.de

How to advise a delivery:

1. Send the delivery information and the delivery notes to delivery@axro.de with a requested delivery date.
2. Give information about the pallet count and supplier.
3. You will receive a delivery reference and a delivery date.
4. You can deliver the goods with the delivery reference on the delivery date. You need the delivery notes in paper.
5. You get a designated unloading ramp for unloading.

Delivery requirements:

Truck, Pallets

Unloading via ramp

Pallets: 0,8m x 1,20m x 2,20 m

Minimum width: 2,10 m

Minimum ramp height: 1,10 m

Packaging: pallets must be foiled and have an extra edge protection
Article: original producer labeled without transport stickers
Delivery notes: delivery notes must be printed on paper for unloading

No unloading without delivery reference and delivery notes.

No unloading from the side of the truck (via ramp only).

Only truck which can be docked to the ramp will be unloaded.
